

Winter Weather Policy

Updated 2/2/21

CANCELLATIONS OF SUNDAY MORNING WORSHIP

When inclement weather impacts Sunday morning:

- We will strive to make a decision by 6:30 a.m. Sunday morning whether to cancel services.
- Services will be cancelled if our area is under a **Winter Weather Warning**. **Winter Weather Travel warnings and watches** will also be cause for cancelation.
- When wind chill is below 0 degrees, church may be cancelled or postponed. This is at the discretion of NC3 Leadership.

WEEKDAY ACTIVITIES

All Weekday and Wednesday class decisions will be made in accordance to the local school corporation's closures and/or early dismissals.

- If school is let out early or cancel after school activities due to weather, all evening activities will be cancelled.
- If the local school corporation is on a 2-hour delay or cancel school, all daytime activities will be cancelled.
- When wind chill is below 0 degrees. The office and building may be closed. This is at the discretion of NC3 Leadership and office staff.

CLOSING OF THE CHURCH OFFICES

In those instances, where severe weather hinders the normal operation of the church offices, the following guidelines will be used:

1. If the local school corporation is on a 2-hour delay or cancel school, the church office will operate on a flexible schedule.
2. If school is let out early or cancel after school activities due to weather, the office will close early. This will be determined by the office administrator and staff.

All cancellation information will be sent out by email, One Call, NC3 Facebook page and on the website. In the event inclement weather begins while activities are in process, a decision will be made regarding early dismissal.
